## the tree

The Cacao tree is also known as "Theobroma Cacao" which translates to mean "Food of the Gods". Yes, it is.

Chocolate is precious. Cacao is harvested by hand and it takes up to 400 beans to make just one single pound of chocolate.

It's no wonder chocolate has been used as currency!

## benefits of cacao

Chocolate is good for our health in a number of ways, especially pure cacao. (without sugar). Cacao can provide the following health benefits:
